Voice of the Unborn: *My hands are flexed at the wrist and meet over my heart. It might look like I am praying to you since my head is "bowed." Nerve cells in my brain are branching out to connect with one another, forming basic neuro pathways Continue to pray for my mother. Please pray for me:* Jesus, Mary, and Joseph, I love you very much. I beg you to spare the life of the unborn child that I have spiritually adopted who is in danger of abortion. Amen.

Jesus' commandment is that His disciples love one another, even to the point of laying down their lives, if necessary. What gifts of myself - my skills and talents, my time and resources - will best demonstrate my love for God's people?
