Voice of the Unborn: *I can move all my limbs. All my major joints are working. I can move my shoulders, my elbows, my wrists, my knees and my ankles. My eyelids are now fused shut and will not open until about the 27th week. Continue to pray for my mother and for those who advise her to keep me safe. Please pray for me: Jesus, Mary, and Joseph, I love you very much. I beg you to spare the life of the unborn child that I have spiritually adopted who is in danger of abortion. Amen.*
